Multilingual Chauffeurs We speak your language!

Multilingual Chauffeurs provides solutions for today's international business traveler, dignitary and tourist who visits New York City and is not fluent in English. Our chauffeurs speak more than 20 of the world's most spoken languages.

Business travelers who are not fluent in English will feel more comfortable with a driver who can communicate with them in their native tongue. We can provide you with one of our experienced multilingual chauffeurs to transport you in the comfort of your vehicle, or you can utilize a vehicle within Multilingual Chauffeurs affiliates' fleet, which includes SUVs, sedans, exotic vehicles and limousines. Multilingual Chauffeurs provides temporary and full time chauffeurs.

Why Multilingual Chauffeurs?

Providing your clients or guests with our service shows them that you pay attention to detail and you care about their comfort; they will appreciate that you made their trip more efficient and productive. When you provide clients with a chauffeur who speaks their native tongue, their lack of fluency in English won't hamper them when they go from meeting to meeting or when they take a break from business meetings and desire to get out and explore all that New York City has to offer. Our chauffeurs are also available to escort clients inside venues, or to shopping excursions. During these shopping excursions the chauffeurs will carry the clients' bags and translate or interpret the prices of goods when requested to do so.

Diplomatic and VIP Services

If clients have security concerns we may also be able to provide a multilingual law enforcement officer who speaks their language. In advance, we will discuss our clients' security concerns to ensure a smooth transition to multiple events. Our drivers are fully security vetted and trained to our exacting standards. Multilingual Chauffeurs is affiliated with some of the very best security companies in the tri-state area and Miami, Florida who supplement our law enforcement chauffeurs to provide our clients with a suite of personal protection, dignitary protection and executive protection services.
